Questionnaire for Professors

1. Course Preparation Phase

Which activities during course preparation take the most time, and where would you prefer AI assistance?

- ☐ Preparing lecture slides
- ☐ Preparing lecture notes/material
- ☐ Finding/referencing additional resources
- ☐ Creating examples and explanations
- ☐ Planning lectures/course content
- ☐ Preparing assignments
- ☐ Preparing quizzes/question papers

2. Teaching / Lecture Phase

During teaching, which tasks would you like an AI co-teacher to assist with?

- ☐ Answering common/repetitive student doubts
- ☐ Generating explanations/examples for difficult concepts
- ☐ Providing additional resources/references
- ☐ Summarizing lecture material
- ☐ Preparing/revising material for upcoming lectures

3. Assessment Phase

During assessment, where would AI assistance be most useful?

- ☐ Generating quiz questions
- ☐ Generating assignments
- ☐ Generating question papers
- ☐ Creating questions based on topics/difficulty levels
- ☐ Generating answer keys/solutions
- ☐ Evaluating subjective answers
- ☐ Providing feedback on submissions
- ☐ Analysing common mistakes in submissions

4. AI–Professor Collaboration

For tasks mentioned above, what level of AI involvement would you prefer?
AI handles everything independently, AI Suggests -> Professor approves, AI should not handle.

Proposed Features (To be finalized after discussion)

Course Knowledge Base

- **Professor uploads slides, notes, textbooks, previous papers, etc.**
- **Assistant can use the professor's course material as its knowledge source.**

Teaching Material Assistant

- **Generate/revise notes**
- **Generate examples**
- **Explain concepts**
- **Suggest supplementary resources**

Assessment Assistant

- **Generate quizzes/assignments/question papers**
- **Specify topic and difficulty**
- **Generate solutions/answer keys**
- **Professor reviews and edits before use**

Professor AI Assistant

- **Ask questions about the course material**
- **Get suggestions for lectures/teaching**
- **Retrieve relevant information from uploaded material**
- **Potentially assist with repetitive student queries**
